"You shall make holy garments for your brother Aharon, for honor and for glory.

And you shall speak to all the wise hearted, whom I have filled with the spirit of wisdom, and they shall make Aharon's garments to sanctify him, so that he shall serve Me.

And these are the garments that they shall make: a choshen, an ephod, a robe, a tunic of checker work, a cap, and a sash. They shall make holy garments for your brother Aharon and for his sons to serve Me.

And you shall make a showplate of pure gold, and you shall engrave upon it like the engraving of a seal: Holy to HaShem.

And make for them linen pants to cover the flesh of their nakedness; they shall reach from the waist down to the thighs." (Exodus 28:2-4, 36, 42)

How to Gird Up Your Loins

1. The tunic wouldn't allow you to do heavy labor or fight in battle, necessitating the "girding" of one's loins.

2. First, hoist the tunic up so that all the fabric is above your knees. This will give you mobility.

3. Gather all the extra material in front of you, so that the back of the tunic is snug against your backside.

4. Once the excess fabric is gathered in front, pull it underneath and between your legs to your rear. This feels much like a diaper.

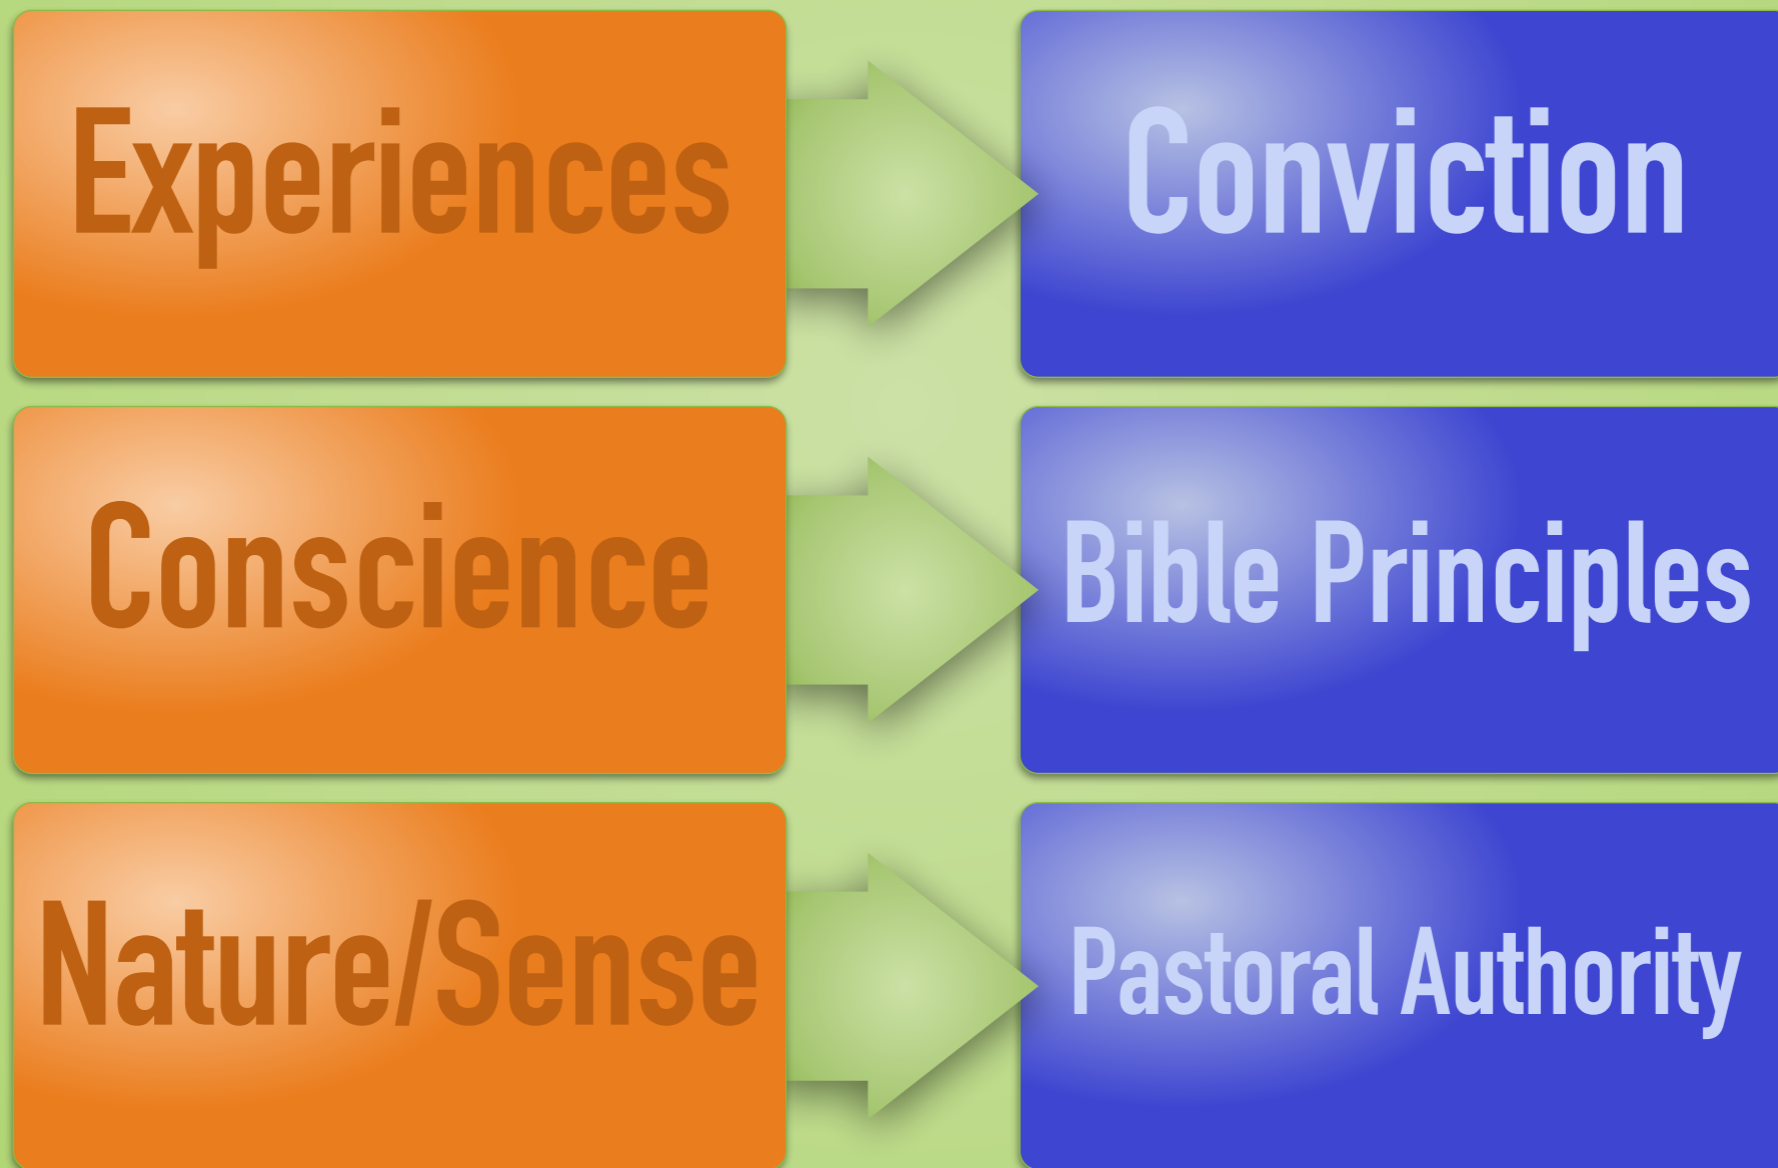

5. Gather half of the material in each hand, bringing it back around to the front.

6. Finally, tie your two handfuls of material together, and you're all set for both battle and some hard labor. Go forth, be ye men, and gird up your loins!
